Region Dents du Midi

Region Dents du Midi is made up of 6 charming villages, perched high in the Swiss Alps in the Canton of Valais. Nestled along the spectacular Illiez Valley, these villages form the Swiss half of Les Portes du Soleil, the world's largest international ski area.

In winter, a boundless network of some 600 km of groomed slopes transforms the area into a vast playground where the border between France and Switzerland all but disappears, and your backyard stretches as far as the eye can see.

No matter the season, this is a place of long-cherished traditions and authentic terroir, with exhilarating peaks and inspiring views over the Dents du Midi, Dents Blanches, Mont Blanc, and Lake Geneva.

6 RESORT VILLAGES

❶ Champéry (1,050 m)

One of the oldest tourist destinations in Switzerland, Champéry is also the first Olympic village in Valais, having hosted the curling events for the Youth Olympic Games in January 2020. Quaint, yet resolutely modern, the picturesque main street still has all the authentic charm of yesteryear while the village's iconic red-and-white cable car is a model of Swiss efficiency, whisking you away to an altitude of 2,000 m and into the vast Portes du Soleil in under 5 minutes!

❸ Les Crosets (1,700 m)

A bustling hotspot on the Swiss side of the Portes du Soleil and a hub for direct connections to the other Swiss and French resorts, Les Crosets is the ideal jumping-off point for ski-in ski-out holidays. When the sun rises over a perfect layer of fresh snow and the lifts on your doorstep whirr into action, you'll be the first to hit the slopes!

❹ Troistorrents (770 m)

The gateway to the Val d'Illeiez, Troistorrents covers a territory of more than 37 square kilometres and includes several small hamlets. At the centre of all this, the stately Church of Saint Mary Magdalene sits imposingly on a rocky promontory, overlooking a mighty stone bridge and an ancient mill, dating from 1401, built into the harrowing river gorge below. These sites, and others, are testimony to our rich architectural heritage.

❷ Champoussin (1,580 m)

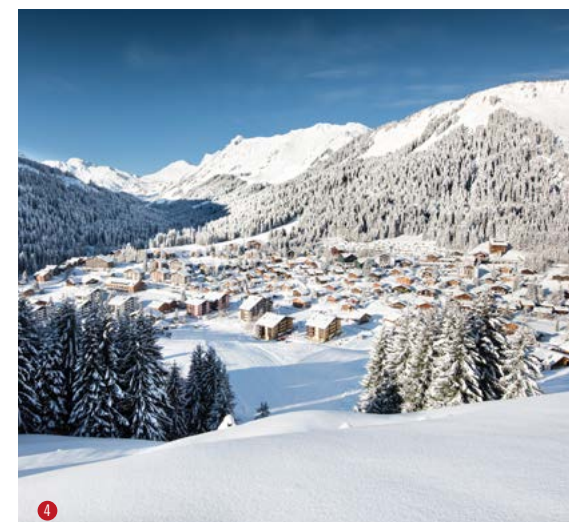

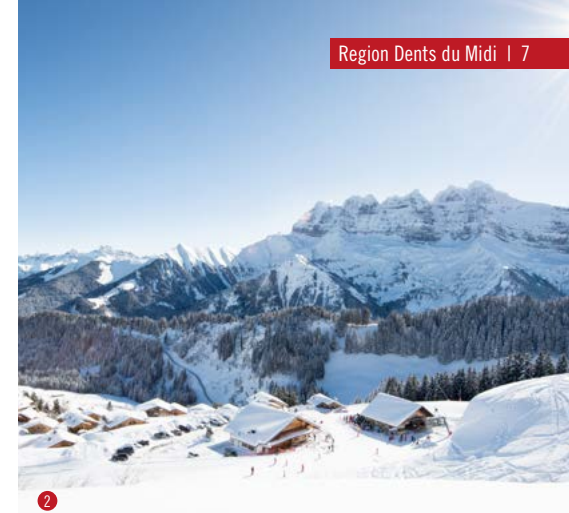

Champoussin is a peaceful village, cradled in a sweeping arc of alpine peaks with an awe-inspiring view over the Dents du Midi. The south-facing hillsides trap the sunshine while wide boulevards with gently rolling slopes provide the perfect topography for beginner skiers and families.

❺ Morgins (1,330 m)

The last stop on the road to France and the doorstep to the Val d'Abondance, Morgins is a vital link between the Swiss and French territories of the Portes du Soleil. Home to long, scenic ski runs through piney forests and the Rando Parc, our official ski touring training ground, Morgins offers a relaxed snowsports vibe in ruggedly alpine surroundings.

❻ Val-d'Illeiez (950 m)

Nestled in the heart of the valley that shares its name, Val-d'Illeiez has long been a stronghold of agrarian tradition. In the village square, two ancient granaries—now transformed into a tiny museum—offer a glimpse into the past of this close-knit community. Just across the road, the church's graceful bell tower rises proudly under the watchful gaze of the Dents du Midi.

Visiting the Region?

Region Dents du Midi is just a hop and a skip from the Chablais Plain at the southeastern end of Lake Geneva, easily accessible by car or public transportation. By train, the charming AOMC regional cogwheel line will take you from Aigle through Troistorrents and Val-d'Illiez to Champéry in less than an hour. Our other destinations are served by busses, leaving from Troistorrents for Morgins, and from Val-d'Illiez for Les Crosets or Champoussin.

If you plan to use the Swiss motorway network, you will need a motorway sticker, sold at Swiss customs posts, in petrol stations, and online at e-vignette.ch. (CHF 40.- valid for one calendar year.)

The local currency is the Swiss Franc, but many shops accept Euros (generally banknotes only) as well as bank and credit cards.

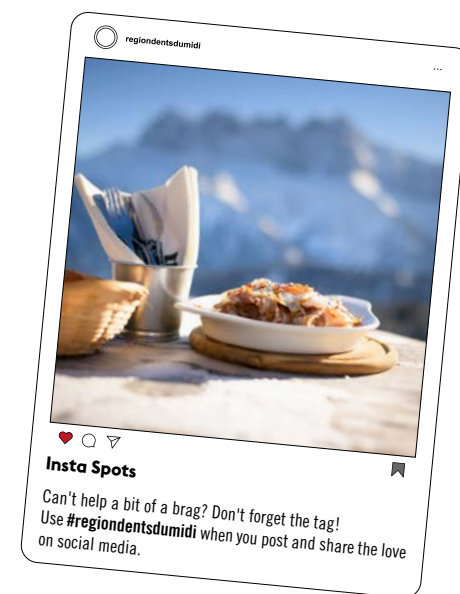

In Switzerland, with 4 national languages, dialects can change from one village to the next. Some cantons, such as Valais, are even bilingual. Here, in Romandy, *nous parlons le français!*

OUR FAVOURITE SLOPES

Ripaille - Grand-Paradis - Champéry

The longest piste in Les Portes du Soleil, Ripaille-Grand Paradis is an enchanting ski run that skims the foothills of the mighty Dents Blanches mountains, spanning an endless variety of landscapes along the way. At the start (1,790 m), two charming on-piste restaurants provide the perfect stopping point for a quick pick-me-up or an end-of-day aperitif. The wide, groomed slopes then give way to rolling bumps and a thigh-burning schuss before the run levels out onto a wonderland path through silent, snow-covered forests, all the way to Grand Paradis (1,055 m).

- ▶ Length: 10 km
- ▶ Red slope ●

Didier Défago - Morgins

This long, winding piste, named for our very own Olympic gold medallist and World Champion, Didier Défago, traverses a remote, wooded valley which was previously accessible only to off-piste skiers.

- ▶ Length: 2 km
- ▶ Black slope ●

Sépaya - Champoussin

Easily accessible yet sheltered from the swiftly flowing rivers of skiers coursing along the main thoroughfares, Sépaya offers a wide piste with the gentlest of slopes, perfect for beginners or families with young children looking to discover the joys of skiing at their own pace.

- ▶ Length: 1.5 km
- ▶ Blue slope ●

Chavanette - Champéry | Les Crosets

The infamous 'Swiss Wall' ranks among the world's toughest ski slopes. With a 331m drop over the 1-kilometre slope and a dizzying 40° angle, too steep for snow grooming machines, the bumps at the top regularly attain 2 metres in height, the size of a Volkswagen Beetle!

- ▶ Length: 1 km
- ▶ Expert (ungroomed slope) ●

Snowshoe Hiking

The journey is more important than the destination! Whether you're feeling contemplative or sporty, a snowshoe hike is the best way to experience the breathtaking beauty of nature off the beaten path. Away from the crowds, yet never truly alone - as evidenced by tracks crisscrossing the snowy trail, nibbled pinecones here and there and the lights of a mountain hut beckoning in the distance.

Wherever you wander, you'll never be far from a welcoming refuge with a sunny terrace or crackling fire to warm your toes, tasty regional specialties, or a steaming mug of something smelling delectably of cinnamon, spice, and everything nice.

Horsing Around

A sport for some, a hobby for others, horseback riding is a unique way to get in touch with nature, thanks to the symbiotic relationship between a rider and her trusty steed. On horseback, a rider can access wild spaces that might otherwise prove inaccessible, especially during the breathtakingly beautiful yet formidable conditions of an alpine winter. In addition to the activities listed in this section, local stables offer riding lessons during school holidays.

CARRIAGE RIDES

Spring

Balmy temperatures and longer days, bustling terraces and goggle tans, lots of money-saving special offers... Spring is in the air!

As the alpine pastures below snow-capped peaks slowly melt into verdant green, hardy crocuses and daffodils carpet the hillsides in fragile pastel colours. Little by little, it's time to prepare your hiking and biking muscles for summer. We all know that the early bird gets the worm and, starting in May, the hiking trails, ski lifts and mountain restaurants are yours for the taking!

19

Summer

If you love our winters, just you wait for the summer! Vast expanses of verdant forests and rugged, snow-capped mountains provide endless scope for imagination and adventure. Head for the hills and dabble your toes in a frigid lake, picnic in a shady forest glen, ramble through flowering pastures, scramble up stony summits and wander the wilderness to your heart's content.

With 20 chairlifts open in the summer and safe in the knowledge that you'll always find a mountain hut somewhere along the path, you never have to worry about being home in time for dinner! Our mountain refuges offer food and drink and welcome shelter and are often a destination in themselves. There's no better way to hike the Alps than by travelling from cabin to cabin, spending the nights tucked snugly under a fluffy duvet after a hearty meal in the company of your fellow travellers.

HIKING

As the spring sunshine warms the mountainsides, the snowy blanket covering the Dents du Midi begins to melt, revealing over 400 km of marked trails that wind through flower-filled meadows, evergreen forests, and charming villages. Best experienced at a leisurely, human-powered pace, this stunning landscape is rich in breathtaking scenery—majestic peaks, crystal-clear lakes, rushing rivers, dramatic waterfalls, and iconic passes. Whether you're after a gentle stroll, a full-day hike, or a multi-day adventure like the legendary Dents du Midi tour, our hiking trails offer the perfect blend of unspoiled nature and cosy comfort at mountain refuges along the way.

In winter, the Portes du Soleil is one of the largest ski areas in the world. In summer, this vast playground transforms into Europe's largest bike park with some 600 km of marked trails for downhill, cross-country and enduro bikers, e-bikers and road cyclists alike!

- › 600 km of MTB trails throughout Les Portes du Soleil
- › 5 bike parks between Switzerland and France
- › 1 Franco-Swiss lift pass
- › 9 downhill (DH) tracks between Champéry, Les Crosets & Morgins
- › 11 e-bike routes starting from our resorts
