1st annual Raclette World Championships

From October 27th to 29th, 2023, the village of Morgins and Region Dents du Midi will host a world-premier event - the Raclette World Championships! Join us, and the creme-de-la-creme of local and foreign producers, to celebrate this emblematic Valais speciality.

This world-class competition invites producers to enter national and international Raclette cheeses for judging in two stages. First, a jury composed of amateur volunteers will narrow the selection to the 5 best cheeses in each category. Then, an international 'Super-Jury' of recognised cheese experts will select the Raclette World Champion for each category. In addition to the competition events, the event site will also host a pop-up Raclette Village, providing a convivial and festive gathering place celebrating Raclette and showcasing other local specialities and traditions. To find out all about this unique event and peruse the full programme, we invite you to visit our website at racletteworldchamps.ch

Who are we?

Supported by Region Dents du Midi SA, the Illiez Valley's three municipalities, and the Vallée d'Illezy Agricultural Society, our Organising Committee is made up of volunteers who share a common passion for this exciting project, despite their wide range of backgrounds and professions. Their tireless devotion, under the direction of President Christophe Berra and Vice-President Baptiste Dubosson, will ensure that this event will be an extraordinary experience for competition participants and visitors to the Raclette Village. The competition events themselves will be organised by two of our local cheese producers, Isabelle Dubosson and Laurent Ecoeur.

We look forward to welcoming you to our magnificent region.

The Organising Committee
